

## Patient Portal User Guide for Radiology Studies

The eCW Patient Portal for PM Pediatric Care now integrates with Ambra Health! This provides you, the patient, the opportunity to electronically access your medical images and reports.

### How to access your X-rays and Radiology reports:

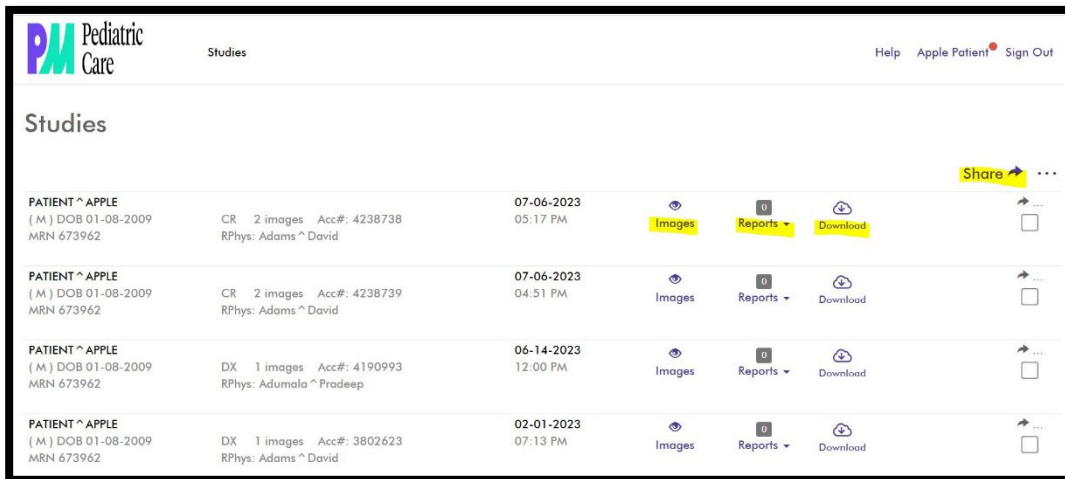

Scan the QR code or visit [health.healow.com/PMP4U](https://health.healow.com/PMP4U)

1. Log into your eCW patient portal from your computer or a browser on your phone. (Currently, this will not work on the Healow phone app.) It opens to the **Dashboard** page.

2. Click the **Ambra Portal** button on the right side of your screen. This takes you to the Ambra portal where you can view your x-rays and reports, download exam(s) and share exam(s):

- **Images:** used to launch the Ambra ProViewer, to view to medical images
- **Reports:** a dropdown to view any reports on the study
- **Download:** downloads the study, reports, and ProViewer in a zip file
- **Share:** share a secure copy of the study with your provider via email

### Share

After you click "Share", as described on the previous page, this window will appear. "Message to recipient" is optional. Click the "Email" tab if necessary. Then carefully enter the email address of the person with whom you want to share your study. You are responsible for entering an accurate email address. Then click "Share Studies".

The recipient will receive an email notification that you have shared your study with them. They must click the link in the email which will take them to our registration process. After they register they can log in and view your study. Note: If you share your study with someone, they will be able to share your study with others.
