

Feelings Check-In

Pediatric Care
BEHAVIORAL HEALTH

I am feeling:

Happy

Sick

Scared

Worried

Sad

Angry

Confused

Frustrated

Nervous

Lonely

Confident

Fill in your feelings

I feel it in my:

head

neck/shoulders

arms/hands

heart

stomach

legs

The feeling is:

Small

Medium

Big

If my feelings are making me stressed, I can try these tricks to feel my best:

Green

- Smile
- Help a friend
- Dance party
- Use kind words

Yellow

- Take 3 deep breaths
- Ask for help
- Relax and try again
- Think of a happy place

Blue

- Get or give a hug
- Talk to friends or family
- Go outside
- Listen to music

Red

- Count to 10
- Tell an adult
- Take deep breaths
- Move your body

Let us help your family thrive
