Pediatric Care

**What is eClincialWorks P2P**

The eClinicalWorks P2P Portal is a secure, HIPAA-compliant site available to both eCW users and non-eCW user, which allows providers to securely share information from any location or device with an Internet connection. The P2P Portal is the one place where all non-eClinicalWorks users can interact with the P2P network, and eCW users can utilize the portal to review P2P records when they are away from the office.

To begin using the P2P Portal, you must be: -A registered eClinicalWorks user. 2. An eCW or non-eCW provider who has received an invitation from another registered P2P provider.
